There was no legal report.

**4.0 APPROVAL OF MINUTES OF FEBRUARY 8, 2010 MEETING**

*A motion was made, seconded and unanimously passed to approve the minutes of the February 8, 2010 meeting.*

**5.0 INFORMATIVE ITEMS**

**5.1 Review Membership Report**

Mr. Ervin reviewed the membership report.

**5.2 Review Retention Report**

Mr. Ervin reviewed the retention report noting the difficulties faced in 2009. The Committee would like CTDA staff to ask the Board for approval of a one year grace period. This will allow member companies who cannot afford to renew in 2010 to renew in 2011 without reapplying for membership.

The Committee volunteered to contact all companies who do not renew their membership in 2010 to perform an exit interview. CTDA staff will draft a script and send the list of non-renewed members to the Committee. Committee members will pick who they would like to contact. This should not be done until July/August because these companies were recently contacted by CTDA staff and Committee members. If approved the Committee members will explain the one year grace period to the non-renewed members.

The Committee would like CTDA staff to ask the Board for approval to prorate dues. If approved, the Committee does not want the prorating announced. Instead it can be used in recruiting members to join this summer.

## **6.0 CTDA 2010 METRICS**

Ms. Soger summarized the thrusts and metrics for 2010 indicating the metrics that this Committee is responsible for.

The Committee discussed the webinar program noting it should be free to members. The Committee encourages the Education Committee to pursue a sponsorship program to make the webinars free to members. The Committee would like the Education Committee to brainstorm ideas to help the Membership Committee recruit new members (i.e. free webinars).

Ms. Nichols expressed the importance in developing a new member/mentor program. She suggested that both the Board of Directors and Membership Committee be required to attend the new member orientation at Total Solutions Plus. The whole membership should also be invited to refresh them on the benefits of membership and to meet the new members.

The Committee would also like CTDA staff to send the Committee an announcement every time a new member joins. The new member should also be introduced in an issue of CTDA This Week.

Ms. Nichols proposed the Committee change the name of the Get Active campaign. In addition, she suggested all active members be enhanced in the directory with their logo instead of an asterisk.

The Committee also discussed updating the Get Active points system. The Committee concluded that all CCTS's who recertify will receive .5 points towards active membership.

### **6.1 Increase Active Member Companies to 75**

This item was discussed above.

## **6.2 Achieve 300 distributor companies and branch members in 2009**

The Committee discussed the necessity of updating the CTDA Prospect List. CTDA staff will send the list to the Committee for updating. After it has been updated members of the Committee will volunteer to contact companies to join.

## **6.3 Surviving Challenging Economic Times**

Ms. Soger briefly updated the Committee on the status of this thrust.

## **7.0 NEW MEMBERS: CTDA GENERATIONS COMMITTEE**

Ms. Soger summarized the background of the Committee and noted they will meet later in the week at the CTDA booth.

Ms. Nichols suggested contacting Wray Jean Clifford and Carrie Meese from Mees Distributors, Inc. to join the Committee.

Mr. Moon expressed the necessity of reaching out to the young people in the industry to get them involved in CTDA. Ms. Soger agreed and explained it will be the purpose of the Generations Committee.

The Committee would like the Generations Committee to attend the summer conference calls and the in person fall meeting at Total Solutions Plus. The Membership Committee would like the Generations Committee to give a 10 minute informal presentation to share with the membership the types of things they want from an organization.

## **8.0 MEMBERSHIP DISTRIBUTOR DEFINITION**

Mr. Ervin explained to the Committee that he is currently working with CTDA staff to develop a task force to discuss adding a dealer membership type to CTDA.

## **9.0 OTHER BUSINESS**

There was no other business.

## **10.0 SUMMARY**

No summary was necessary.

## **11.0 ADJOURNMENT**
