

# Patti Fasan

Patti brings over twenty-five years of research, project experience and passion to her presentations. A Certified Ceramic Tile Consultant (CTC) from the Ceramic Tile Institute of America, (CTIOA) she delivers a polished entertaining and informative presentation that speaks to everyone. She is relevant. Her dynamic presentations, superb stage presence and vibrant personality inspire audiences to maximize their entrepreneurial goals.

Patti has published numerous articles and has lectured in Europe, United States, Australia and Canada. Her seminars have been featured at Coverings, Surfaces, Design Y.C., NeoCon NY, and AIA Conventions.

For the past decade Fasan has partnered with Tile of Spain and collaborated on many facets of Spain's extensive educational platform developed exclusively for the USA.

Her consulting firm *Professional Attention to Tile Installations* (p.a.t.t.i.) is focused on improving technical expertise in the design & floor-covering community through education and training.
