

Greg Andrews

Greg Andrews has been a tile installer since 1973 and is currently a tile contractor in Los Angeles California. Greg's fascination with glass mosaics began early in his career, something that's led him to the installation of numerous murals, as well as 60 plus all glass mosaic swimming pools. With the popularity of larger glass tiles of all shapes and sizes gaining momentum over the last several years, Greg has seized the opportunity to expand his knowledge and tackle the many challenges associated with glass tile installation.

David Fatula

David Fatula is currently the Technical Services Manager for both Oceanside Glasstile and Mandala Tile. He is a professional installer of 15 years and a valued member of multiple tile industry committees. For the past 7 years he has worked in the Oceanside Glasstile Technical Services Department and has developed an expertise in glass tile installation. He is dedicated to educating the tile industry on glass tile installation and conducts installation workshops across the United States on behalf of Oceanside Glasstile. He is the Representative for Glass Tile Manufacturers on the TCNA Handbook Committee as well as Oceanside Glasstile's Alternate to the ANSI ASC A108 Committee. In addition, David has contributed to the TCNA Handbook as co-submitter of TCNA P602.
